KANYON
MP3 player 100% waterproof

- 100 % waterproof
- 100 % anti-rust
- 100 % shockproof

Should you trek in the wild, ski in powder snow or bike around montains , your Kanyon MP3 player will add a real musical touch to all these sensations. Designed to resist all types of weather, Kanyon will be your ideal companion for all your challenging outdoor activities.
Kanyon is IPx8 certified and its antishock surface is specifically treated with anti-rust process. Moreover, you will enjoy the full accessory pack for a unique experience: waterproof in-ear interchangeables earbods, adjustable neoprene armband and waterproof transfer USB cable.
